Dear Congressman,

On behalf of the Coalition for Jewish Values, please accept our thanks for your bold and clear statements at the Christians United For Israel (CUFI) Summit yesterday.

We, the signatories on this letter, were in the audience when you said that "I think (Rep. Ilhan) Omar (D-MN) has to go." You tied this to your own family background, the history of the House Foreign Affairs Committee, and that of the country. You decried Rep. Omar's Antisemitic comments, and referred to Rep. Rashida Tlaib (D-MI) and Rep. Alexandria Ocasio-Cortez (D-NY) "joining in on the chorus against the Jewish people."

Decrying the rise in Antisemitism in his country, Lord Rabbi Jonathan Sacks, Chief Rabbi Emeritus of the United Kingdom, said as follows:

Antisemitism, or any hate, become dangerous when three things happen. First: when it moves from the fringes of politics to a mainstream party and its leadership. Second: when the party sees that its popularity with the general public is not harmed thereby. And three: when those who stand up and protest are vilified and abused for doing so.

These words, delivered before the House of Lords in September 2018, offered a prescient warning to your colleagues in the Democratic Party. It was deeply heartening to hear you insist that "this cannot stand in the United States of America," and to see 6000 people rise to their feet in enthusiastic response.

Yours Sincerely,

  
Rabbi Pesach Lerner  
President
